

General Description

- Decorative powder coating in wood, stone and other designs
- Unperforated or perforated
- Suited for indoor and outdoor areas

Examples

Maple

Acacia

Technical Data

Surface Burning	Tested in accordance with ASTM E 84 (Class A)
Resistance	UV-resistant Resistant to a great variety of solvents and chemicals
Cleaning	Soiled ceiling surface can be cleaned with water and synthetic sponge or brush

Design Considerations

- Other designs are available such as marble, granite, various botanical images, water, clouds, etc.
- To obtain the character of wood as completely as possible, we recommend our Picatto perforation, such as L 0,7.1
- For perforation options see our Technical Guide
- Available with perforated surface and acoustical fleece and/or encapsulated mineral wool applied to the back side of the panel to improve acoustical performance

Subject to change without notice. This document is intellectual property of Amstorf based Lindner-Holding KGaA. It may neither be duplicated, exploited for profit, distributed for business purposes nor shown to any third parties without our approval. Please note that all details, schemes, pictures and dimensions shown in this catalogue are without commitment and might vary due to final project requirements. Especially all figures shown in inch are rough dimensions only. Our O&M manuals, Installation Recommendations, Product Data Sheets, etc. and the installation of Lindner products are exclusively foreseen for persons with special metal ceiling knowledge. For safety reasons all others are not allowed to use Lindner's products. Lindner ceilings must be installed as a complete system. Missing, wrong or by other products substituted components, additional loads by services for e.g. luminaires and anchors not approved by Lindner can cause failure of the complete ceiling system. Lindner ceilings are high-quality products for the interior only. All in our documents mentioned performances are subject to correct installation according to our company's manuals and Standard Terms and Conditions.
